Canopy

Leadership Partner & Strategic Facilitator

Executive Summary

Founded by Lauren Day, Canopy works with a select group of organizations to provide focused, hands-on facilitation and strategic thought partnership—helping leaders navigate complexity, align teams, and move forward with clarity and care.

Leaders engage Canopy when:

1. Navigating key decisions or transitions
2. Developing new projects, structures, or roles
3. Managing sensitive conversations or team dynamics
4. Aligning team roles, workflows, and goals

How we help:

1. **Workshop Design & Facilitation**
   Intentional, outcome-driven sessions that align teams and build momentum
2. **Thought Partnership & Problem-Solving**
   Strategic support for leaders and teams working through complexity
3. **Project Management and Execution**
   Hands-on support to keep initiatives and mission-critical work moving

---

Approach:

Relational, reflective, and results-oriented.
Every engagement is tailored to each team's needs - with a focus on clarifying purpose and creating forward momentum.
